

## WELCOME TO DM TOURS COACH HIRE

### ABOUT US

DM Tours Coach Hire Ltd was incorporated in 2013 by the Managing Director and owner, Damian McKenna, as a natural progression to his well established tour company, DM Tours which has been in existence since 2002.

As one of Ireland's newest coach operators, we boast a modern and efficient fleet of first class vehicles of corporate limousines and white 53 seater VanHool, non liveried coaches which, if desired, can carry your own company's logos and graphics. All of our coaches are 2010 or newer with air-conditioning, washroom facilities, refrigerator, DVD & CD players, Courier seat & PA system, and comfortable seats with ample leg room. Tea and coffee facilities are available onboard a number of our coaches.

We operate throughout Ireland, the UK and Europe and our customers will agree that we provide a first class, personalised service tailored to their individual needs and requirements.

Our dedicated in-house coach hire team of experts will work with you to ensure your requirements are met with efficiency and precision. Our advice in relation to distance and travel times can help you to ensure the smooth running of your tour.

Our highly professional drivers and chauffeurs are extremely courteous, hold full PSV licences and have a high standard of dress code. They are fully trained and professional in every aspect of their job thus making sure your trip runs smoothly.
